( "the Host" )

---

I understand that during my participation in this field deployment, I may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in each deployment and cannot be eliminated. These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage, and death ("Injuries and Damages") from exposure to hazards.

I know that Injuries and Damages can occur by natural causes or activities of other persons, animals, field workers or third parties, either as a result of negligence or because of other reasons. I understand that risks of such Injuries and Damages are involved in field operations and I appreciate that I may have to exercise extra care for my own person and for others around me in the face of such hazards. I further understand that during this deployment there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which I may be exposed. I confirm my understanding that:

- This Agreement is intended to be as broad and inclusive as is permitted by law. If any provision or any part of any provision of this Agreement is held to be invalid or legally unenforceable for any reason, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.
- To the fullest extent allowed by law, I agree to WAIVE, DISCHARGE CLAIMS, AND RELEASE FROM LIABILITY the Host, its officers, directors, employees, agents, and leaders from any and all liability on account of, or in any way resulting from Injuries and Damages in any way connected with this deployment. I further agree to HOLD HARMLESS the Host, its officers, directors, employees, agents, and leaders for any injury to my person or damage of my property. I understand and intend that this assumption of risk and release is binding upon my heirs, executors, administrators and assigns.
- I have read this document in its entirety and I freely and voluntarily assume all risks of such Injuries and Damages and notwithstanding such risks, I agree to participate in the Field Operation.
